

Shaanxi University of Chinese Medicine 2026/2027 Academic Year Chinese Government Scholarship "High-Level Postgraduate" Program Admission Brochure

The Chinese Government Scholarship "High-Level Postgraduate" Program is a full scholarship program funded by the Ministry of Education of China, designated for selected universities to independently recruit outstanding international students for study in China. This program aims to select international students with excellent academic backgrounds, professional capabilities, and future development potential to pursue master's degrees at our university. In accordance with the relevant guidelines from the Ministry of Education, Shaanxi University of Chinese Medicine has established the following application procedures for the Chinese Government Scholarship "High-Level Postgraduate" Program. Details are as follows:

I. Application Eligibility

1. Applicants must be non-Chinese citizens and in good health.

2. Applicants must have good moral character, abide by Chinese laws and regulations, and respect Chinese social morality and customs.
3. Applicants must hold a bachelor's degree or its equivalent, have an excellent academic record, and are generally under the age of 35.
4. Applicants must not be recipients of any other scholarships offered by Chinese governments or institutions at any level.
5. All programs are taught in Chinese. The applicant's Chinese proficiency should reach the level of HSK Level 4. Those who have obtained a degree from a Chinese university using Chinese as the medium of instruction are exempt from submitting HSK certificates.

II. Scholarship Category and Duration

1. Category: Master's Degree Students.
2. Duration: 3 academic years.

III. Scholarship Coverage and Standards

1. Tuition waiver.
2. Free university accommodation.

3. Living stipend (RMB 3,000 per month) during the study period in China.

4. Comprehensive medical insurance for the study period in China.

The above waivers and living stipend are provided within the scope of the scholarship.

IV. Application Procedure

1. Log on to www.campuschina.org , select "Online Application," click "Student Registration" to create an account and fill in the information.

2. Choose Program Category Type B. The institution code for Shaanxi University of Chinese Medicine is 10716.

3. Upload scanned copies of the required application documents, submit the application online, and generate the PDF Application Form.

4. Visit the website of the School of International Education of Shaanxi University of Chinese Medicine (<http://gjyxy.sntcm.edu.cn/>) to download, print, fill out, and sign the "Shaanxi University of Chinese Medicine Application Form for International Students" and the "Postgraduate Student Application Form."

5. Applicants for master's programs must contact a prospective supervisor at Shaanxi University of Chinese Medicine on their own and obtain a supervisor's acceptance letter.

6. Send the scanned copies of all application documents to the email address of the School of International Education of Shaanxi University of Chinese Medicine.

7. After passing the initial document review, wait for the email notification regarding the re-examination (interview) from the university.

8. The university will conduct the review and evaluation, then send the documents of pre-admitted students to the China Scholarship Council (CSC). After the CSC confirms the final admission list, the university will issue the Admission Notice and JW201 Form to the admitted students.

Note: Please provide a valid email address and phone number.

V. Application Documents

1. "Shaanxi University of Chinese Medicine Application Form for International Students" (must be signed by the applicant).

2. Scanned copy of a valid ordinary passport.

3. Copy of the highest diploma/degree certificate. If the applicant is currently a student, they must submit an official pre-graduation certificate issued by their current institution.
4. Copy of academic transcripts for the highest level of education obtained.
5. Certificate of Non-criminal Record (in the native language and a notarized Chinese translation).
6. Copy of the "Foreigner Physical Examination Form" (valid for 6 months).
7. Copy of a valid HSK score report.
8. Study or Research Plan in China (no less than 1000 words, in Chinese).
9. Two letters of recommendation from professors or associate professors (or equivalents) in Chinese or English.
10. "Supervisor's Acceptance Letter of Shaanxi University of Chinese Medicine" Download link:
<http://gjyxy.sntcm.edu.cn/wjxaa/82622.htm>
11. Self-introduction video (recorded in landscape orientation, language: Chinese), duration 3-5 minutes.

Note: Documents in languages other than Chinese or English must be accompanied by notarized Chinese or English translations (except for those who have obtained degrees from Chinese universities). Application documents will not be returned regardless of the admission result. Please send the application documents (PDF versions) to the email address of the School of International Education. The application deadline is January 31, 2026. Incomplete applications or applications received after the deadline will not be processed.
